RE: **RANCHO ALEGRE – SP 11-3-06 Traffic Concurrency Agreement**
PILLAR Job No. 02021B

Dear Ms. Bazinet:

A review was initiated at Broward County for the Rancho Alegre Plat. Following the review, their findings stated that the application does not satisfy the concurrency requirements for the regional road network. The proposed development falls within the following impact area:

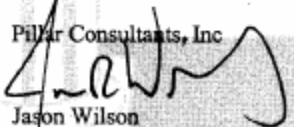

Southwest 14 Street from Southwest 154 Avenue to Southwest 136 Avenue: Segment No. 555 (4 trips/peak hour).

The four (4) additional trip impacts are planned to be mitigated via a proposed eastbound left turn lane on SW 14 Street along with a modification of the existing driveway to and from Western High School (please see attached letter from BC Development Management Division approving this mitigation plan). The County Highway Construction and Engineering Division has requested that the Traffic Concurrency Agreement be executed by the property owner and the Town of Davie.

We respectfully request that the Traffic Concurrency Agreement for the Rancho Alegre Plat be scheduled for approval at the next available Town Council Meeting.

Sincerely,

RE: Rancho Allegre Plat (005-MP-03)
Traffic Concurrency Mitigation

Dear Mr. Stanley:

This is to advise that the Highway Construction and Engineering Division has approved the 125% cost estimate which you submitted for the eastbound left turn lane on SW 14 Street along with the modification of the existing driveway to and from Western High School. Attached please find a proposed Traffic Concurrency Agreement for the Rancho Allegre Plat which requires the developer to provide security for and construct these improvements.

Please have the agreement executed by the property owner(s) and the Town of Davie, and return it to me, along with an original letter of credit in the amount of \$103,858, a current title opinion and a check in the amount of \$290 (agreement review fee). As soon as the agreement and letter of credit are approved by the County Attorney's Office, the plat and agreement will be scheduled for County Commission approval.

If you have any questions in this regard, please advise.

Sincerely,

**REGIONAL ROAD CONCURRENCY AGREEMENT
CONSTRUCTION OF IMPROVEMENTS
RELATED TO THE RANCHO ALLEGRE PLAT (005-MP-03)**

This is an Agreement, made and entered into by and between: BROWARD COUNTY, a political subdivision of the State of Florida, hereinafter referred to as "COUNTY,"

AND

_____, its successors and assigns, hereinafter referred to as "DEVELOPER",

[AND IF THE PROPERTY IS LOCATED WITHIN A MUNICIPALITY]

The Town of DAVIE, a municipal corporation created and existing under the laws of the State of Florida, hereinafter referred to as "TOWN"

WHEREAS, Chapter 5, Article IX, Broward County Code of Ordinances, requires that the regional transportation network be adequate to serve the reasonably projected needs of proposed developments; and

WHEREAS, Chapter 5, Article IX, Broward County Code of Ordinances, more specifically requires that an application for a development permit satisfy concurrency requirements for impact areas; and

WHEREAS, DEVELOPER has applied for approval of or an amendment to the Rancho Allegre Plat (005-MP-03), hereinafter referred to as "PLAT," more particularly described in Exhibit "A" attached hereto and made a part hereof; and

WHEREAS, on January 12, 2005, the Broward County Development Management Division issued a Notification of Failure to Satisfy Broward County Concurrency Standards for the regional transportation network, finding that the application for approval of or amendment to the PLAT does not satisfy the impact area concurrency standards for the regional road network as stated in the Broward County Land Development Code ("CODE"); and

WHEREAS, DEVELOPER has conducted a study and has determined that certain remedial measures will mitigate the traffic impacts so that the PLAT or amendment to the PLAT will satisfy Broward County concurrency standards; and

WHEREAS, the Broward County Development Management Division has approved these remedial measures and finds that its concurrency requirements for the PLAT or the amendment to the PLAT will be met with the execution of, and compliance with, the terms of this Agreement by DEVELOPER; NOW, THEREFORE,

IN CONSIDERATION of the mutual terms, conditions, promises, covenants, and payments hereinafter set forth, the parties agree as follows:

1. The above recitals and representations are true and correct and are incorporated herein.
2. Construction of Improvements.

PLEASE CHECK THE APPROPRIATE SECTION

[X] IMPROVEMENTS CONSTRUCTED BY DEVELOPER

- (a) DEVELOPER agrees to construct the improvements described in Exhibit "B" attached hereto, hereinafter referred to as the "Improvements." DEVELOPER agrees to complete the Improvements prior to receipt of the first certificate of occupancy for property within the PLAT.
- (b) If the improvements described in Exhibit "B" are on a state road, as that term is defined in Chapter 334, Florida Statutes, DEVELOPER agrees that, prior to PLAT recordation, DEVELOPER shall provide COUNTY with proof of having received a permit or letter of intent to permit from the State of Florida Department of Transportation for the Improvements.
- (c) DEVELOPER shall provide to COUNTY, contemporaneously with this Agreement, an irrevocable Letter of Credit, attached hereto as Exhibit "C," in

the amount of **\$103,858.00** in a form acceptable to the COUNTY, which represents 125% of the costs of the Improvements.

- (d) The Improvements described in Exhibit "B" shall be installed in accordance with applicable COUNTY, State of Florida Department of Transportation standards and specifications and in accordance with the Development Review Report for the PLAT. The construction plans for the Improvements, including pavement marking and signing plans, shall be submitted to COUNTY for review and approval prior to commencement of construction. Construction shall be subject to inspection and approval by the COUNTY. Pavement marking and signing shall be provided for all of the Improvements and shall be subject to review, field inspections and final approval by the Broward County Traffic Engineering Division, which Improvements shall be consistent with the previously approved plans.
- (e) Developer agrees that this agreement shall be recorded in the Official Records of Broward County, Florida, against the property described in Exhibit "A" to put subsequent purchasers, grantees, heirs, successors and assigns of any interest in such property on notice of the obligations set forth herein, which shall run with the property until fully performed. However, the amount(s) set forth above which are secured by a letter of credit shall not constitute a lien on the property unless and until the provisions below are activated by the recording of a "Notice of Lien."
- (f) If property is located within a municipality, DEVELOPER, its successors and assigns agree that no building permits or certificates of occupancy shall be obtained from the municipality for construction of a principal building within the Plat until such time as DEVELOPER provides the municipality with written confirmation from COUNTY that engineering plans for the required improvement have been approved by the Broward County Engineering Division and that DEVELOPER has complied with paragraph 2(c) of this Agreement. Failure to comply with the above shall constitute a default of this Agreement. If the property is located within the unincorporated area, the COUNTY shall not issue building permits for construction of a principal building within the Project until such time as the DEVELOPER has complied with paragraph 2(c) of this Agreement.
- (g) If property is located within a municipality, DEVELOPER, its successors and assigns agree that no certificates of occupancy within the Plat shall be obtained prior to completion of the Improvements according to the schedule set forth in Exhibit "B." Failure to comply with the above shall constitute a default of this Agreement. If the property is located within the unincorporated area, the COUNTY shall not issue any certificates of occupancy within the Plat prior to completion of the Improvements according to the schedule set forth in Exhibit "B."

- (h) In the event DEVELOPER defaults under the terms of this Agreement or the COUNTY receives notice that the security will be canceled by the issuing institution, COUNTY shall be entitled to draw against the security for the amount set forth above, plus costs and interest as set out herein. If COUNTY draws against the security and the amount recovered is less than the amount due, COUNTY may maintain an action against DEVELOPER in a court of competent jurisdiction for the difference between any sums obtained and the amount due, plus costs and interest accrued from the due date at the rate of twelve (12) per cent per annum or, at the option of the COUNTY, the COUNTY may record a document entitled "Notice of Lien" which shall constitute a lien on the property described in Exhibit "A" in the amount stated above. To the extent that the failed security is attributable to an identified parcel or portion of the PLAT, the Notice of Lien, as set forth above, shall be recorded against and apply only to such parcel or portion of the PLAT. The above provisions shall control such lien, except that the provision regarding subordination of mortgages shall not apply. Such lien may be foreclosed or otherwise enforced by the COUNTY by action or suit in equity as for the foreclosure of a mortgage on real property.
- (i) DEVELOPER shall ensure that the security remains valid and in full force and effect until DEVELOPER'S obligations are fully satisfied. Expiration of the security prior to DEVELOPER'S satisfaction of such obligations, or notice to Broward County that the security will expire or be canceled prior to DEVELOPER'S satisfaction of all obligations hereunder, shall constitute a default of this Agreement.
- (j) In the event the COUNTY determines that the security has been canceled or disaffirmed by the issuing institution, COUNTY may record a document entitled "Notice of Lien" which shall constitute a lien on the property described in Exhibit "A" for the Outstanding Balance or stated portion thereof. To the extent that the disaffirmed security is attributable to an identified parcel or portion of the PLAT, the Notice of Lien, as set forth above, shall be recorded against and apply only to such parcel or portion of the PLAT. The above provisions shall control such lien, except that the provision regarding subordination of mortgages shall not apply. If the DEVELOPER provides substitute security in a form acceptable to COUNTY, COUNTY shall release the lien.
- (k) In the event COUNTY draws on the security in accordance with the provisions of this Agreement, DEVELOPER shall be responsible for COUNTY'S reasonable costs incurred in drawing against the security.
- (l) DEVELOPER agrees that any contract(s) for the Improvements shall:
 - 1. Indemnify and hold harmless COUNTY, its officers and employees, from liabilities, damages, losses, and costs, including, but not limited to reasonable attorney's fees, to the extent caused by the negligence,

recklessness or intentional wrongful misconduct of DEVELOPER and persons employed or utilized by or under contract with the DEVELOPER in the performance of this Agreement. Except as specifically provided herein, this Agreement does not require DEVELOPER to indemnify COUNTY, its employees, officers, directors, or agents from any liability, damage, loss, claim, action, or proceeding. In the event that any action or proceeding is brought against COUNTY by reason of any such claim or demand, DEVELOPER shall, upon written notice from COUNTY, resist and defend such action or proceeding by counsel satisfactory to COUNTY. The provisions of this section shall survive the expiration or earlier termination of this Agreement.

2. In order to insure the indemnification obligation contained above, the DEVELOPER and/or its contractor shall, as a minimum, provide, pay for, and maintain in force at all times during the term of this Agreement (unless otherwise provided), the insurance coverages set forth below, in accordance with the terms and conditions required by this section.
3. Such policy or policies shall be without any deductible amount and shall be issued by United States Treasury approved companies authorized to do business in the state of Florida, and having agents upon whom service of process may be made in Broward County, Florida. Such policies shall specifically protect COUNTY and the Broward County Board of County Commissioners by naming COUNTY and the Broward County Board of County Commissioners as additional insureds.
